

# Weed Warrior Program

## Identification & Removal of Non-Native Invasive Plants

June 29, 2019  
9 am — 12 pm  
Red Rocks Park  
Program # 749021-A

July 24, 2019  
9 am — 11 am  
Wheeler Nature Park  
Program # 749021-B

Are you interested in learning more about plants and working to improve the health of the City's parks and natural areas? Then consider participating in the City's Weed Warrior program. This program aims to educate and engage volunteers that will assist City staff in the identification and removal of non-native invasive plants found in our parks. The City will be organizing two Weed Warrior events in 2019 to take place at both Red Rocks Park and Wheeler Nature Park. These events will be led by Mike Bald with Got Weeds.

*To register for these programs visit [recandparks.sbvt.gov](http://recandparks.sbvt.gov) and click on "Register/Browse Activities".*
